IAN CLAYTON, LINDI MASTERS & GRANT MAHONEY
WORSHIP WITH JOANN MCFATTER
2 - 4 NOVEMBER 2017 | HAVELock NORTH, NEW ZEALAND

IAN CLAYTON

Ian trains and equips believers to give their lives in a persistent, passionate pursuit of the person of God, enabling them to discover that their lives are about the preparation for oneness and unity with God for the purpose of becoming mandated and authorized ambassadors of His Kingdom. His passion is to reveal to the Sons of God the purpose of the power of the attorney of God within them, removing the sense of powerlessness and hopelessness that is often attached to many in the body of Christ when they are confronted with the reality of the spirit world that surrounds them.

GRANT MAHONEY

Grant is a passionate lover and pursuer of Yahweh. His passion is to see others come into maturity as sons so that together we can function as the "One New Man". His heart is for unity, and to see us freed from our humanity to function as our Father in Heaven.

LINDI MASTERS

Lindi Masters comes from Durban, South Africa, but currently resides in England. Lindi operates with a prophetic anointing and loves to see the Father's Kingdom manifest with signs and wonders here on Earth, with a mandate of preparing the Bride for Her Coming King.

WORSHIP WITH JOANN MCFATTER

JoAnn McFatter is currently traveling nationally and internationally as a worship leader and speaker. JoAnn facilitates the shift from the mind of man to the mind of Christ in word and song. To see the Bride abandoned body, soul and spirit to God and God alone and to bring Kingdom manifestation on the earth as it is in heaven.
